## II. STIPULATION AND JUDGMENT

2. The United States and Defendant: Juan Indalecio Garcia now agree and stipulate that the proper just compensation for Tract RGV-RGC-6068 in this action is sixty-five thousand seven hundred fifty-eight dollars and 00/100 (\$65,758.00), and this is in full satisfaction of any claim of whatsoever nature by Defendant against the United States for the institution and prosecution of the above-captioned action. The parties request a final judgment be entered against the United States in the amount of sixty-five thousand seven hundred fifty-eight dollars and 00/100 (\$65,758.00) for Tract RGV-RGC-6068. Defendant warrants that (1) Juan Indalecio Garcia is the sole owner of the Subject Property taken in this proceeding; (b) he has the exclusive right to the compensation, herein; excepting the interests of parties having liens, leases, encumbrances of record, and unpaid taxes and assessments, if any; and (c) that no other party is entitled to the same or any part thereof by reason of any unrecorded agreement.<sup>5</sup>

3. The parties seek immediate disbursement of the funds on deposit in the Registry of the Court and have agreed that the funds should be disbursed as follows:

- i. sixty-five thousand seven hundred fifty-eight dollars and 00/100 (\$65,758.00) to be disbursed individually to Juan Indalecio Garcia, payable to his attorneys, Jones, Galligan, Key, and Lozano, LLP, with accrued interest from the date of deposit.

4. Based on the foregoing, the Court finds that since the parties are in agreement about the amount of compensation, just compensation has been established. Final judgement is hereby entered against the United States in the amount of sixty-five thousand seven hundred fifty-eight dollars and 00/100 (\$65,758.00), along with any accrued interest. This sum is in full satisfaction

There being no outstanding taxes or assessments due or owing, Defendant Juan Indalecio Garcia is responsible for the payment of any additional taxes or assessments, which he otherwise owes on the interests in the property taken in this proceeding on the date of the taking.

5. The parties have further agreed, in the event that any other party is ultimately determined to have any right to receive compensation for the interest taken in the Subject Property, Defendant Juan Indalecio Garcia shall refund to the Registry of the Court the compensation distributed herein, or such part thereof as the Court may direct, with interest thereon at an annual rate provided in 40 U.S.C. §3116 from the date of receipt of the respective deposit by Defendant Juan Indalecio Garcia, to the date of repayment into the Registry of the Court.<sup>6</sup>

6. Additionally, the Court finds that the United States is entitled to immediate possession of the Subject Property, and all persons in possession or in control of the interests taken in the Subject Property are ordered by this Court to surrender possession to the United States.

7. The parties have also agreed that the parties shall be responsible for their own legal fees, costs, and expenses, including attorneys' fees, consultants' fees, and any other expenses or costs.<sup>7</sup> The parties also agree that Defendant shall take no appeal from any rulings or judgments made by
